STOP THE VIOLENCE NOW

December's Hopkins Homes – Stop The Youth Violence

Resident Council members are planning again to unite forces with the youth violence conflict solution seminar group to host a Stop the Youth Violence Event at Glynnvilla on January 7 from 2p—4p. The event will allow the resident leaders and the members of the youth violence solutions to engage our youth and other residents to let them know it is a better way of dealing with their frustrations and anger amongst one another. There also will be dynamic community leader speakers, food and music. Come out and bring your children to hear a strong and compelling message to stop youth violence in our communities. **If you are interested in starting or joining your community's resident council please contact Commissioner Denise Hayes , at**
